To Whom It May Concern:

Remarkable. That is how I explain Mr. Bill Vliek to people when they ask me about him. He has single handedly taken our below basic band program and literally transformed it into a widely recognized accomplished group of actual musicians. Band (or bandos, as the kids commonly refer to themselves) has become cool in our district, because of Bill. It has become big, because of Bill. We didn't start out with extraordinary musicians, we had someone who could make them extraordinary.

Bill is the only teacher in the two buildings I supervise who received the highly effective rating on his performance evaluation this year. He has every quality that you are looking for in a teacher. He knows what works in classrooms and has outstanding rapport with students. He will develop your program from nothing or push it further than you thought possible. He is confident, but not arrogant. His interview will speak for itself as does the website he created at springportbands.com. He is one of a kind. Don't pass him up.

Should you have additional questions, please contact me on my cell at (517) 712-7983 or via email at Tanya.overweg@springportschools.net.

Sincerely,
